Gay,
Thank you for scheduling us on the October 30th Great Plains Tribal Chairmen Association meeting in Rapid City. The 11:00AM slot on agenda works perfectly for us. The title of the EPA presentation and presenters are as follows:

Title: Dewey Burdock Uranium Site (Edgemont, SD) Information and EPA Permit Process

Presenters: Valois Shea, Project Lead
Darcy O'Conner, Acting Deputy Assistant Regional Administrator

I and Kim Varilek (EPA Attorney) will also be in attendance.

Please send us the meeting location at your earliest convenience. You're awesome!

Subject: Moving offices

Hi, Alfreda, I received an e-mail from Kevin Steele that you were trying to reach me. The GPTCA is moving offices and we have no inter-net until we are settled in our new office space. Currently, we are all working out of my home office here in rapid City so you can still reach me at my cell below or the e-mail.

We hope to be settled by Nov. 1, 2015 or before. The next GPTCA Meeting is tentatively scheduled for Oct. 30, 2015 in Rapid City, SD.

Please send me the names of who will attend and the topic.

Thank you
